Hi Chris,

Just to let you know how pleased we are with the high quality work you put into the paint work on the Kathleen Rose.

The attention to detail you paid throughout the preparation & painting work is clear to see. Since collecting the boat, on our cruise down to Oxford, not a day has gone by without us hearing favourable comment about the lovely paint work of our boat.

We'll maybe need to redecorate the inside now too ! We'll carry on recommending Oxon boat painting company to anyone wanting a high quality paint finish for their boat.

Cheers,

Phil & Kathy
